### SPECIAL MOTOR LAUNCH TARIFF

#### 1. Motor launch services during fog

When the visibility is limited to the point that sailing is only possible with the assistance of radar (this is to the judgement of the boatman involved), always one hour minimum of € 86,00 and € 42,00 for an extra crewmember on board. Total price of € 128,00 per hour will be charged.

#### 2. Special motor launch services on request

If the principal wants to make use of a so called pilot tender or a special boat with a length of 14 mtrs. (R.V.E. 52 and 53), a fixed price of € 86,00 per hour or part thereof will be charged.

If the number of persons to be transported and/if the amount of cargo makes it necessary to sail with one of the vessels mentioned above, also the tariff of € 86,00 will be charged.

#### 3. Motor launch trip on behalf of a sailing vessel

If a crossing to a sailing vessel is performed, always one hour minimum of € 86,00 and € 42,00 for an extra crewmember on board. Total price of € 128,00 per hour will be charged.

#### 4. Motor launch services in the 8th Petr. Harbour

For motor launch services in the 8th Petroleum Harbour a fixed price of € 86,00 per hour of part thereof will be charged.

#### 5. Draft survey of Seagoing Vessels

Motor launch trips on behalf of a draft survey of vessels that are berthed in the Mississippi Harbour-EMO or Amazone Harbour-EMO will always be charged in accordance with the tariff of one hour.

#### 6. Diving Activities

If, on behalf of diving activities, it is necessary to make use of a 14-meter vessel in relation to the equipment to be used, a fixed price of € 86,00 per hour or part thereof will be charged.

#### 7. Motor launch services 8 hours or more

If a principal, to the matter of motor launch services, wants to make use from one of our launches for a longer period of time, he has to make contact with our Board. In such a case it is possible to make use of our launches for a price made in advance by contract.

#### 8. Oilbooms

To place, open and clear away of oilbooms a tariff of € 180,00 will be charged per hour of part thereof. This tariff includes a second man and cleaning activities to our vessel.

#### 9. Other motor launch tariff

When there is no question of transportation to or from the vessel (for example examination of jetties, placing of fenders, towing of small pontoons, placing of lamps etc.), always one hour € 64,00 minimum will be charged. When for these activities it is necessary to have an extra crewmember on board, a fixed extra charge of € 42,00 per hour will be charged.

#### 10. General surcharges

For activities during weekends as mentioned in the definitions of the published K.R.V.E. tariff, the surcharges mentioned in point C of the K.R.V.E. tariff will be charged. (General surcharges).
